

**N**ever believe that a few caring people  
cannot change the world.  
For, indeed, that's all who ever have.  
*--Margaret Mead*

## **Clinical Research Nurse Awards**

**Goal:** To prepare nurses for careers in clinical breast cancer  
research through mentored research training.

**Eligibility:** Nurses with an RN, bachelor, masters, or  
doctoral level nursing degree.

**Award Features:** Up to \$100,000/year for salary  
support. Additional funding for tuition, books, and travel.

**May 14, 2003, submission deadline.**

For more information, visit <http://cdmrp.army.mil>  
or call 301-619-7079.

Complete requirements for award proposals are available  
in the February 26, 2003, Breast Cancer Research Program  
Announcement.
